WHAT WE DO THE BEST

WAREHOUSING SOLUTIONS

We cater to the food, retail and pharma sector.

TRANSPORTATION SOLUTIONS

We move shipments safely, efficiently and on-time.

FOOD PROCESSING SOLUTIONS

Integrated and forward-thinking food-processing.

WAREHOUSING SOLUTIONS

We store food & pharma

The core USP of Coldman is our network of sophisticated, strategically located temperature-controlled storage facilities.

COLD STORAGE

Operating world-class cold storage facilities with the capacity you need.

- -30 to +30 degree Celsius
- 6 variant temperature zones
- 24 x 7 service with 100% DG backup
- State-of-the-art Reach trucks
- FSSAI compliant warehouse
- Environment friendly refrigerant
- Exclusive Pharma zones

PORT-CENTRIC WAREHOUSING

Benefit from reduced costs and a more cost-efficient supply chain solution.

- Multi-modal transportation
- Logistical Optimization
- Custom Clearance
- End to End Supply Chain
- Custom Bonded Warehousing
- Faster Transshipment

WAREHOUSING SOLUTIONS

AUTOMATED WAREHOUSING

Combining technology and innovative thinking to deliver greater efficiency and forward-thinking solutions.

DEDICATED WAREHOUSING

Empowering you to focus on your business, while we manage a dedicated warehouse for you.

WAREHOUSING SOLUTIONS

ORDER MANAGEMENT

Monitor, move, manage and control your operations seamlessly.

INVENTORY MANAGEMENT

Real-time visibility to your inventory to progressively eliminate manual tasks and drive decision-making

WAREHOUSING SOLUTIONS

RETAIL CONSOLIDATION

Strategically managing the complexities of a Retailer's requirement - and doing it seamlessly and efficiently.

FULFILLMENT & E-COMMERCE

Fulfillment that is fresh and fast. Supporting timely, accurate and reliable deliveries.

BLAST FREEZING

Preserve product integrity and food safety using our services

24/7 OPERATION CAPABILITIES

Round-the-clock operations to get your products on time, every single time.

ON- SITE GENERATOR

Protects your commodity with a 24/7 generator able to power our entire facility during an outage.

BRC ACCREDITATION

Compliant and meets the high standards of food safety set by the British Retail Consortium (BRC).

LABELING & STAMPING

Ensures your product moves through the global marketplace seamlessly.

CASE PICKING

Pick and pack your product safely and efficiently to meet the changing needs of your customers.

TRANSPORTATION SOLUTIONS

We move food & pharma.

Time and promise of delivery are a fickle thing in business. That's why you can rely on Coldman to get your products where they need to be safely, efficiently and on time.

DEDICATED REEFER FLEET

Designed around you, Coldman offers customised solutions to ensure the smooth movement of your cargo.

- FSSAI compliant trucks
- Primary & Secondary refrigerated transport across India

TERTIARY DISTRIBUTION

Our tertiary distribution solutions are designed to ensure that multiple deliveries within the city, are delivered at the right temperature and on-time.

- Last mile supplies
- Airport drops
- Tamper-proof GPS solutions

SHIPMENT VISIBILITY

Complete access to monitor your shipment from source to destination.

24/7 OPERATION CAPABILITIES

Round-the-clock operations to get your products on time, every single time.

STUFFING & DE-STUFFING

Maximize your available space without sacrificing quality by trusting us to handle your product with care.

REAL-TIME TRACKING

All our FSSAI compliant trucks can be tracked real-time, with efficient pre-trip, post-trip and on-trip monitoring.

FOOD PROCESSING SOLUTIONS

We prepare food.

Food doesn't always arrive at its destination in the same form it was grown or produced. Coldman is your creative, progressive and innovative partner in processing your product, packaging and even enhancing your product's quality.

REPACK AND PACKAGING

Providing convenience and scalability, Coldman is a 'one-stop' solution for all your re-packing and packaging needs.

- Packing produce according to specifications
- Managing temperature of produce with scientific precision

FOOD ASSEMBLY

From source to plate, Coldman has the capacity to handle the entire chain, i.e. preparation to assembly of fresh produce, for consumption by the end-consumer.

Source to plate support
Handles pre-washed, pre-cut & sanitized fresh produce
Sandwich assembly
